MEMORANDUM FOR: ASSISTANT DEPUTY DIRECTOR (INTELLIGENCE)

SUBJECT: S.J. Resolution 96

1. Thank you for sending me the attached S.J. Res. 96 together with a copy of Senator Wiley's letter of 3 July 1953 to Mr. Dulles and a copy of Mr. Dulles' reply.

2. We agree with Mr. Dulles' reply, particularly the last paragraph. It seems to us that the problem is one mainly for the Executive Department to deal with and since it has undertaken to do so, only confusion can result from having additional efforts on the part of a Congressional committee.

3. As stated above, we think that this view has been well expressed in Mr. Dulles' letter and therefore have nothing further to add.
